Limited Review Report on Quarterly Unaudited Financial Results of Oswal Overseas Limited pursuant to the Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015

To the Board of Directors of Oswal Overseas Limited

We have reviewed the accompanying statement of unaudited financial results (`the Statement') of Oswal Overseas Limited (`the Company') for the quarter ended 30 June 2018 attached herewith, being submitted by the Company pursuant to the requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (`Listing Regulations'). This Statement is the responsibility of the Company's management and has been approved by the Board of Directors. Our responsibility is to issue a report on these unaudited financial results based on our review.

We conducted our review in accordance with the Standard on Review Engagement (SRE) 2410, *`Review of Interim Financial Information Performed by the Independent Auditor of the Entity'*, specified under Section 143 (10) of the Companies Act, 2013. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the financial results are free of material misstatement. A review is limited primarily to inquiries of company personnel and analytical procedures applied to financial data and thus provides less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.

Based on our review conducted as above, nothing has come to our attention that causes us to believe that the accompanying statement of unaudited financial results prepared in accordance with applicable accounting standards i.e. Ind AS prescribed under Section 133 of the Companies Act, 2013 and other recognised accounting practices and policies has not disclosed the information required to be disclosed in terms of Regulation 33 of the Listing Regulations including the manner in which it is to be disclosed, or that it contains any material misstatement.
